Musikiwest harnesses the collaborative power of chamber music to engender empathic awareness, promote conflict resolution and build peaceable communities.

We hope that participation in our program will empower our young audience members to build their awareness, empathy and skills for conflict resolution, to expose them to a performance of classical chamber music by world-class musicians, and to encourage them to invite their family and friends to join them in enjoying this rare community concert.

For tickets and more information, visit www.musikiwest.org
